In 2020, We The People face consequential decisions about how to respond to a global health crisis as well as racism and white supremacy, xenophobia, and economic inequality in our nation. These are difficult times, but there are reasons for hope. Across the U.S., people are speaking out for justice and advocating for policies to mend the gaps. With a federal election coming up, we know that **who we elect — at every level of government — matters.**

Nuns on the Bus: The Virtual Tour will highlight the most pressing issues in our nation, elevate the lived experiences of those facing the greatest challenges, and help participants prepare to vote for the common good on Election Day. **Join us on this important journey!**
